

# By hand it's **\$5 a page.** With untxt it's cents.

A **document** is one file of up to five pages. You pay per document, and the price per document drops the more you process. **No per-client fees, ever.**

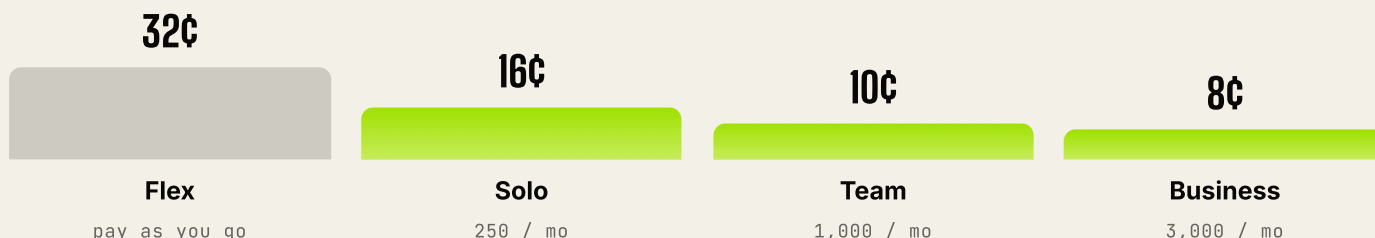

TYPING IT YOURSELF

**~\$5**  
per single page

WITH UNTXT

**8–32¢**  
per document (up to 5 pages), reviewed and ready to post

→ THE MORE YOU PROCESS, THE LESS EACH ONE COSTS

Yearly billing ≈ 10% off Solo, Team & Business · unused documents roll over for 60 days.

✓ EVERY PLAN INCLUDES

- ✓ Line-item extraction on every document
- ✓ One review queue across every client
- ✓ One-click QuickBooks & Xero handoff
- ✓ Unlimited clients, no per-client fees
- ✓ Export CSV / JSON / TXT / DOC
- ✓ Roll-over documents, valid 60 days

→ HOURS BACK EACH MONTH

**12+** on Solo      **50+** on Team      **150+** on Business

That's the manual prep untxt removes. What it's worth = those hours at your billing rate. Your number, not ours.

● **Two things it will not do, on purpose**

It won't read bad handwriting and guess. It won't post to your ledger without your approval.
